

REMARKS

The application is to be amended as previously set forth in response to the Notice of Omitted Item(s) in a Nonprovisional Application mailed on September 9, 2004 (copy enclosed).

Applicants have elected option III in which the application will maintain a filing date as of the date of deposit of the application papers in the USPTO and will include only those application papers present in the USPTO on the date of deposit. This Preliminary Amendment is being submitted to indicate that page 15 should not have been printed. Current page 16 which contains the abstract should be renumbered as page 15.

If questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,
